AGM 2017 - 2018 Annual Report New South Wales Liaison Officer

Greg Scott

New South Wales Liaison Officer Report 2018

July 2017 to June 2018

Since being involved in the position of NSW Liaison officer NSW has held 3 successful shoots.

The Benalbo shoot went off without a hitch, well the second time around at least. Unfortunately the weather Gods were against us holding the shoot, with a lot of rain arriving on the Friday. But the Second time around the team from Northern River Archers put on a great shoot.

Lake Glenbawn once again held a successful shoot, even in the dry conditions.

Lake Macquarie shoot was as usual a resounding success.

We have the Dubbo shoot coming up in August that I hope everyone can get too and support.

The Wingen shoot unfortunately has been cancelled.

And we still have the Moonan flats shoot later in the year, which is looking to celebrate 20 years.

In a liaison role I accompanied Nate and Mike too Nambucca too liaise with Holley from National Park, and helped get things organised for the meet and great, Friday night. The presentation on Sunday and we are working on something for Saturday night.

In the coming months will be getting range setters course organised.

I would like to thank the clubs in NSW for the help the last few months. Look forward to moving forward.

Regards

Greg Scott
